TAP seminar

The SonLight Inn hosted a Transition Assistance Program seminar Wednesday, Thursday and today. The three-day seminar is offered every other month at Kunsan because of the small numbers of active-duty members who separate or retire from this location. The seminar provides information on topics such as veterans benefits, employment and training assistance, stress management, money management, current labor market update, resume writing, job analysis, job search and job interview techniques. It's suggested that members who are planning to separate or retire start participating in the transition services and seminars at least 24 months in advance. Military members, DOD civilians and their family members are eligible to attend these seminars.
